

SHAPING FUTURES ACADEMY 2024

African-European Network on Development and Sustainability

SHAPING FUTURES

Schedule

15-26 April	In-between	23-24 May	27-31 May
<p>Online Programme Opening</p> <p>Welcome and introduction to the Academy as well as to the theme of sustainable development.</p>	<p>Participants will receive individual and peer-coaching; make knowledge and methods applicable in their home contexts and prepare for the next module.</p>	<p>Welcome to IDOS</p> <p>Participants will be introduced and introduce themselves to the institute and IDOS colleagues.</p>	<p>Leadership I</p> <p>Participants will discuss different leadership models and theories. They will explore their values, attitudes, goals and visions for the future and systematically reflect on how their actions are determined by certain thought patterns.</p>
3-25 June	In-between	2-20 September	In-between
<p>Just Transition Management</p> <p>This module introduces „Just Sustainability Transitions,“ a governance approach for societal sustainability transformation. Participants will learn tools to drive change in their communities, using Climate and Energy examples. Study trips to Brussels and Berlin will complement the content, focusing on the European and German context.</p>	<p>Participants will receive individual and peer-coaching; make knowledge and methods applicable in their home contexts and prepare for the next module.</p>	<p>Tackling Multidimensional Inequalities</p> <p>Inequality impact all areas of life and is at the heart of today challenges. This module explores the complexity, multidimensionality and intersectional nature of inequalities and their linkage to power. It offers room to discuss key drivers, new pathways and potential policy solutions.</p>	<p>Participants will receive individual and peer-coaching; make knowledge and methods applicable in their home contexts and prepare for the next module.</p>
14-18 October	21 October – 1 November	In-between	18-22 November
<p>Leadership II</p> <p>Participants will reflect on their personal leadership journey and discuss what kind of leadership is needed to address today's complex challenges.</p>	<p>Citizenship and Democracy</p> <p>There is growing citizen frustration with governments and democracy. Such frustrations can lead citizens to anti-democratic governance models, hoping that they will bring change. This module explores pathways citizens can use to recapture and assert their sovereign role to make the democracy project work for all.</p>	<p>Participants will receive individual and peer-coaching; make knowledge and methods applicable in their home contexts and prepare for the next module.</p>	<p>Harvesting and Closing</p> <p>During the closing, participants will harvest their learnings and continue reflections on how to implement these in their home countries.</p>
