Women deserve equal respect and equal pay...
- Hilary Clinton

1. Doing Business is seriously tackling the issue of gender

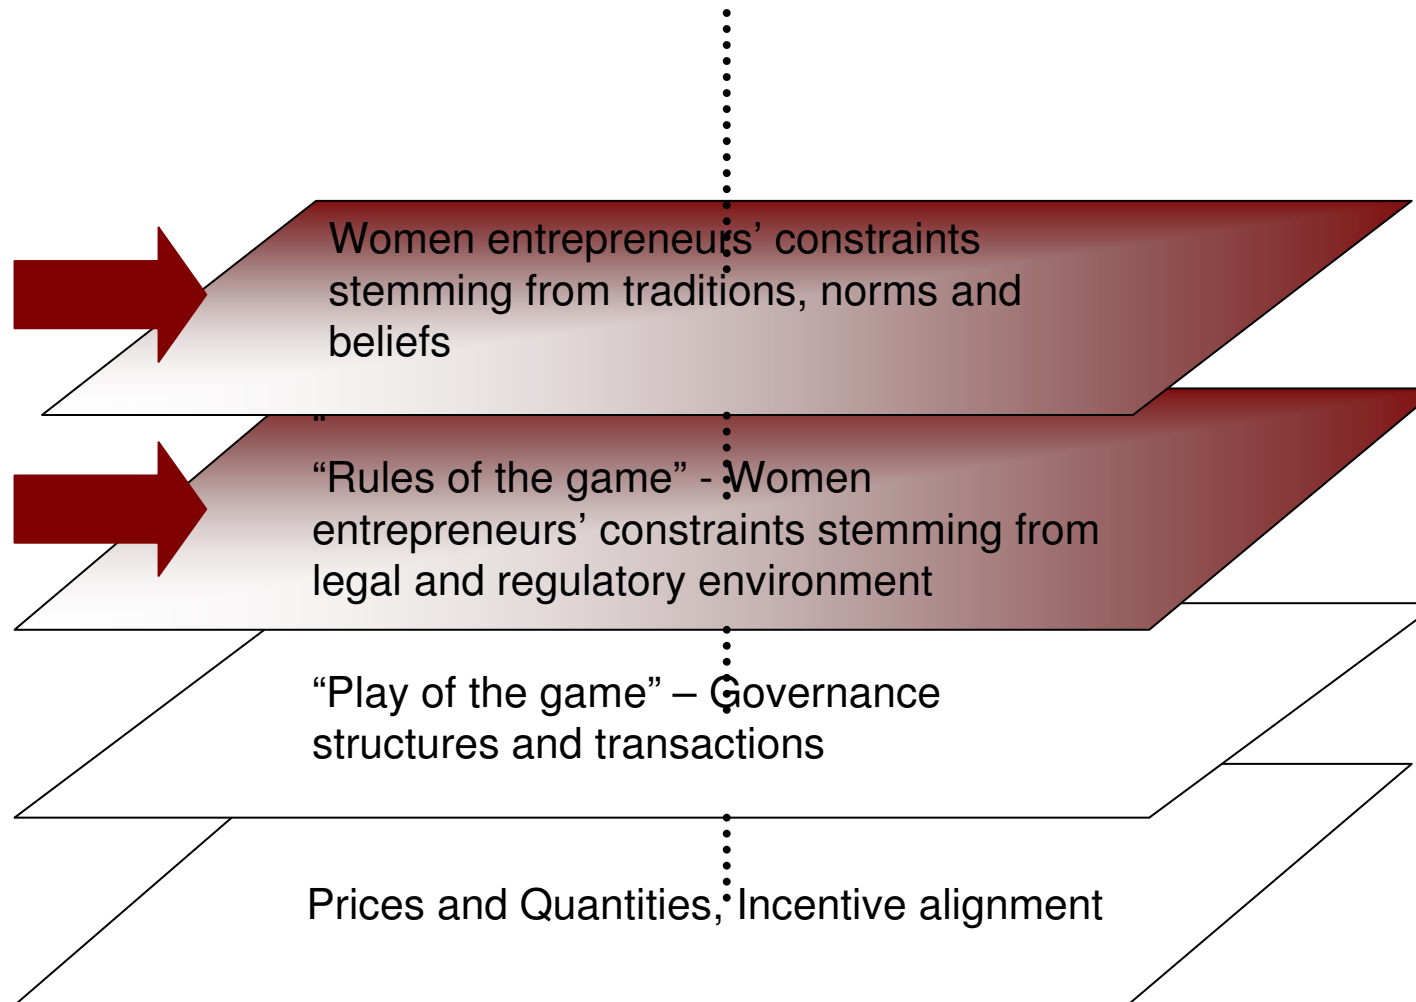

2. Doing Business „Gender“ will be using different types and sources of information

1. Barriers for women mainly at two levels:
 - Traditions, norms and beliefs
 - Laws and regulation
2. DB addresses women's barriers
 - mainly at the level of laws and regulation
 - in a general (non-affirmative action) way
3. In several circumstances/countries, this does not improve the situation of women

DB and Gender

- How different is WBG Index to benchmark business-enabling environments for women entrepreneurs with other indices out there?
- How would you approach proposed analysis for Nigeria?
